Dear Gabriel Casabona

This official transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. If you are not the intended recipient, please notify Transcript Services at Northwestern University. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. If this document has been issued by Northwestern University, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or [Adobe® Reader](#); it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Northwestern University with a valid certificate issued by GeoTrust CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The transcript key and guide to transcript evaluation is the last page of this document.

ACADEMIC CALENDARS

Northwestern University offers programs on numerous calendars. Unless listed specifically below, the calendar on this transcript is a quarter system consisting of three quarters lasting approximately 10 weeks and one summer session lasting 10-11 weeks. Terms may include shorter sessions. The Executive MBA Program through the Kellogg School of Management is an exception with class meetings on designated weekends during terms corresponding to the quarter calendar.

Northwestern University in Qatar operates on a traditional semester calendar consisting of two terms each lasting 16 weeks and one summer term.

The Physician Assistant Program operates on a trimester calendar consisting of three terms each lasting 16 weeks.

The Physical Therapy Program operates on a semester calendar consisting of three terms each lasting 16 weeks.

The Prosthetics-Orthotics master's program uses a course unit system in which a 1 in the earned and attempted column = 1-unit course. For the purpose of transfer credit, one unit should be considered to be the equivalent of four quarter hours or 2 2/3 semester hours.

CREDIT

For quarter-based programs, in September 1969 NU began using a course unit system in which a 1 in the earned and attempted column = 1-unit course. For the purpose of transfer credit, one unit should be considered to be the equivalent of **four quarter hours or 2 2/3 semester hours**.

Prior to 2006 the Summer Session was based on a semester system and credits taken in that context should be considered to be the equivalent of four quarter hours or three semester hours.

For an explanation of credits earned in quarter-based programs prior to 1969:
http://www.registrar.northwestern.edu/academic_records/index.html

The Physician Assistant program uses a trimester hour credit measure in which each credit hour corresponds to an hour of meeting time for each week of a 16-week trimester.

The Physical Therapy program uses a semester hour credit measure in which each credit hour corresponds to an hour of meeting time for each week of a 16-week semester.

The Prosthetics-Orthotics master's program uses a course unit system in which a 1 in the earned and attempted column = 1 course. For the purpose of transfer credit, one course should be considered to be the equivalent of four quarter hours or 2 2/3 semester hours.

Northwestern University in Qatar uses a course unit system in which a 1 in the earned and attempted column = 1-unit course. For the purposes of transfer credit, one unit should be considered to be the equivalent of four semester hours.

GRADE POINT AVERAGE (GPA)

All courses attempted are recorded on the transcript and used in the GPA calculation. GPA is computed by taking the total grade points divided by the attempted units. NR, T, TR, P, N, K, S, U, and W grades are not included in GPA calculations.

Northwestern University does not calculate major GPAs nor does it rank its students.
